“Seeing With Our Heart”

It is interesting in the Gospel (Mk 10: 46-52) that the very person who couldn't physically see, the blind man Bartimaeus, was the only person able to see with his heart. The crowd that was gathered around was focused on trying to keep Bartimaeus quiet and let Jesus pass by in peace. They didn't think Jesus would want anything to do with a poor, blind beggar on the side of the road. But Jesus did want to have something to do with Bartimaeus. The same is true with each of us. Jesus wants to have something to do with each one of us. He sees within our hearts and souls. Jesus constantly wants to bring light into the dark, cold places of our souls, just as he quickly brought light to the eyes of Bartimaeus. This light, this grace, can penetrate the very depths of our hearts and soul when we are people of faith.

Notice what Jesus said to Bartimaeus, “your faith has saved you.” The reality is that our interior renewal, faith life, does not come from the newest things, sweet smelling aromatherapy, or the latest intravenous iv vitamin infusion. Interior renewal, seeing with our hearts, comes from faith. It's through trusting in God who created us and who died on the cross to show us how much he loves us. Bartimaeus becomes an example for us all. To see with our hearts, we must be people of faith that beg, that cry out to the Lord from the bottom of our hearts to have mercy on us. It is this faith that allows us to “see with our heart”.

Happy Birthday Mary

We are celebrating
Mary Hydrick's
102 Birthday.
Friday, November 1 at 10:00
at the Windsor

THANK YOU

St. Vincent de Paul extends heartfelt thanks to the parishioners for their incredible generosity and support during the recent collection. With your assistance, we will be able to continue providing vital resources to the people of Lowndes County, including shelter, medical and dental care, utilities, and food. We truly appreciate your ongoing support and prayers.

Fourth Grade taste tested candy so you know what is the WORST Halloween Candy to hand out this next week.

This was a fun lesson that incorporated lots of math, graphing, and polling of data!

Apparently Raisinets was voted the worst candy of 2024!

helping keep our tuition
costs low!

Rob Malone, from Malone Electric, came to show students how to build a simple circuit at Robotics Club this week. Students are preparing for a competition on January 18th where they will have to build a circuit in a minute or less. Mr. Malone showed students how to make a circuit using a buzzer, LED, and small motor.

We love our community partners!

ACS is hosting an OPEN HOUSE on November 14th!
